

Fishing Has No Boundaries Capital City Chapter

December 2019

3rd Annual Fishing Event on Lake Springfield was a Huge Success!

On September 21st, the Capital City Chapter of Fishing Has No Boundaries held its third annual event at the TRN Club. 50 participants and their caregivers joined over 130 volunteers for an enjoyable day on Lake Springfield. Although the day started out very overcast with a few raindrops, the sky cleared quickly and the weather was perfect for the rest of the day! For many of the participants this was their second or third time attending the event. Several participants and boat crews requested to be paired up again this year. Their reunions were fun to witness! Twenty-two pontoon boats were available to take the participants out on the lake. There were also 30 experienced fishermen and women who joined in to ensure that everyone caught several fish. Hundreds of fish were caught in all and rumor has it that some of the participants were kissing their fish before throwing them back in the lake.

At the start of the day, the Glenwood High School Show Choir sang the national anthem which was followed by a wonderful breakfast. At lunchtime (lunch was generously donated by Subway), Dinah and Esther the Comfort Dogs stopped by for a visit! Everyone was so happy to see them

and Dinah and Esther got to hop on a few boats and visit with the captains. After a full day of fishing, everyone came back in hungry and ready to receive their awards. It was such an amazing day! Each and every person that attended, whether as a participant, attendant or volunteer had smiles from ear to ear. New friendships were formed and memories were made.

We would like to thank each and every boat captain, fishing guide, dock hand, food server, equipment handler and registration helper for volunteering their time and their energy. This day would not be possible without all of your support. We would also like to thank all of our sponsors (see a complete list below) Our Main Event Sponsors for 2019 are Eastside Marine, The 2019 Frozen Open, Lake Springfield Marina, Meijer, Scheels, Subway and the TRN Club!
